IGNITION INTERLOCK PROGRAM Participant Requirements

The Ignition Interlock Device (IID) Program is authorized by 21 Del. C. §4177 G. The following are conditions of the program as specified in 21 Del. C. §4177 G (f)(2). Each offender is required to abide by these conditions through the duration of the program.

A offender shall lose the privilege of having a Offender IID license for failure to comply with any of the following:

1. The offender shall abide by the terms of the offender's lease with the service provider as approved by the Division of Motor Vehicles.
2. The offender shall comply with Division of Motor Vehicle regulations concerning IID license restrictions.
3. The offender shall not attempt, nor allow or cause an attempt to bypass, tamper with, disable or remove the IID or its wires in connection.
4. The offender shall not operate a vehicle without an approved device, or possessing a registration card and a offender IID license which complies with subsection (f) of this section.
5. The offender shall not violate any section of this title relating to the use, possession or consumption of alcohol or intoxicating substances;
6. The offender shall accumulate no more than 5 points per year while participating in the program.
7. The offender shall continue to meet all eligibility criteria identified in subsection (f) (1) of this section.
8. The offender shall provide satisfactory proof to the Division of Motor Vehicles that an approved IID has been installed.
9. The offender shall not fail to or refuse to take random re-test provided by the device.
10. The offender shall keep scheduled appointments with the Division and the service provider.
11. The offender shall be driven to the service provider by a licensed driver for installation of the IID equipment.
12. The offender shall not cause nor allow another individual to bypass or attempt to bypass the device.
13. The offender shall not fail to pay any and all fines whatsoever assessed during participation in the program pursuant to this title.
14. The offender shall successfully complete the course of instruction and/or program of rehabilitation.
15. The offender shall comply with any participation regulations implemented by the Division of Motor Vehicles pursuant to this paragraph.
16. **The offender will receive written confirmation for approval of the ignition interlock device. The device shall not be installed without prior approval from this Division.**

Non-compliance with the above listed requirements may disqualify offender from eligibility for the IID license. The offender will be required to maintain the Ignition Interlock Device on all vehicle(s) registered in the name of the offender for the balance of the revocation period.

EXTENSION OF REVOCATION PERIOD FOR VIOLATION OF PROGRAM REQUIREMENTS

The revocation period will be extended 2 months for any combination of three (3) of the below listed requirements.

The revocation period will be extended 4 months for any combination of five (5) of the below listed requirements.

The revocation period will be extended 6 months for any combination of eight (8) of the below listed requirements.

The revocation period will be extended one (1) additional month for each violation of the below listed requirements over 8.

- Each BAC reading of .05 or above
- Start up violation; IE lock-out failure
- Running Retest Violation
- Each missed monitoring appointment
- Tampering with or bypassing the interlock system
- Intentional circumvention of the interlock system or program requirements

Each state has different laws that may further restrict or even prohibit IID licenses when a driver's license status is revoked. It is your responsibility as the holder of an IID license, not the Delaware DMV, to contact the DMV or law enforcement agency in other states to ensure your ability to operate a motor vehicle with an IID license in other jurisdictions.

I certify that I have read the Conditions of Participation above, specified in 21 Del. C. § 4177 G (f)(2). I will abide by these conditions and understand that failure to abide by these conditions will result in termination from the program and loss of all driving privileges for the complete duration of the revocation period.
